Dermalogica microzone treatments

dermalogica[®]

microZone[®]
the quick fix for troubled skin

When you want a quick, targeted solution to an immediate skin care concern, such as tired eyes, dull or lack lustre skin, or dry ageing hands, without surrendering to the full 60 minute treatment, then Microzone treatments can help.

Microzone treatments are 20 minute high intensity versions of the Dermalogica Core Treatment which focus on a specific area. They are ideal for solving skin care concerns between professional treatments, and are also an introduction to Dermalogica for those clients who have not used it before, or those who have never experienced a professional skin treatment.

When used between 4-6 weekly core treatments and with a recommended home care regime, you will maintain optimum skin health.

All the following treatments cost £20.00

MICROZONE FLASH EXFOLIATION

Hydroxy acids remove dulling surface debris to help reverse the signs of ageing. Firms, tones, resurfaces and brightens skin, while a nourishing cocktail of vitamins soothe and restore skin to optimal health.

MICROZONE BLACKHEAD RELIEF

A super cleansing treatment to clear impactions before they develop into breakouts.

MICROZONE EYE RESCUE

Firm tone and brighten eyes with our unique blend of peptides, proteins and vitamins. A calming mask revitalises irritated, tired eyes.

MICROZONE HAND REPAIR

The first area to show signs of ageing, this treatment helps hands recover. Maximum strength exfoliation plus deep moisturising benefits of a paraffin bath leaves you with ultra smooth hands.

MENS SKIN FITNESS

Helps skin recover from current shave damage. This treatment clears, soothes and calms using products specially formulated for mens skin.
